

JAYSON RHOD OQUIAS

Dedicated Information Technology student with a focus on Multimedia Arts and Animation. Passionate about arts and design, my studies are fueled by a commitment to creativity and innovation. As the sole family member pursuing higher education, I aspire to secure a job that aligns with my skills, providing a foundation for a brighter future. Eager to contribute my graphic design and animation expertise to impactful projects in the dynamic field of multimedia.

WORK EXPERIENCE

● Remotely | July 2020- Present

Freelancer (Digital Arts, Posters and Illustrations)

As a freelance digital artist, I specialize in creating captivating digital arts, posters, and illustrations. With a keen eye for visual aesthetics and a commitment to client satisfaction, I transform ideas into visually stunning and personalized creations that communicate effectively and leave a lasting impression.

● Sto Nino Barangay Hall | April 10, 2019 – April 30, 2019

Work Immersion

In my role during work immersion, I excel in data sorting and efficiently issuing Barangay Certificates to the citizens of Barangay Sto. Nino. With meticulous attention to detail and a commitment to community service, I ensure the accurate organization of data and timely delivery of essential documents, contributing to the smooth administrative processes within the barangay.

● Dee Hwa Liong Acacemy | June 2019 to February 2020

Student Assistant (Registrar Department)

As a Student Assistant in the Registrar Department, I adeptly navigated various administrative tasks, demonstrating proficiency in data management, filing, and assisting students with inquiries. Additionally, my creative skills were recognized when I won 1st place in a T-shirt design competition, showcasing my ability to bring innovative and impactful ideas to fruition.
