- Problem-Solving

WORK EXPERIENCE

BlastAsia, INC. | April 2024- June 2024

Front-end Developer Intern

As a Front End Developer intern, I excelled in coding within the company's build studio using the Angular framework. I was responsible for inserting JSON files, creating modules and pages, and documenting the system. My role involved ensuring the smooth integration of components, optimizing performance, and maintaining high standards of code quality to enhance overall user experience and system efficiency.

Easybus PH INC. | January 2024- March 2024

UI/UX Designer Intern

As a UI/UX designer intern, I excel in crafting intuitive interfaces for web, app, and kiosk platforms. Partnered with a leading bus liner, I focus on optimizing cargo and seat booking experiences. My designs prioritize user-centricity, ensuring seamless navigation and efficient functionality, ultimately enhancing user satisfaction and facilitating smooth transactions.

Remotely | July 2020- January 2024

Freelancer (Digital Arts, Posters and Illustrations)

As a freelance digital artist, I specialize in creating captivating digital arts, posters, and illustrations. With a keen eye for visual aesthetics and a commitment to client satisfaction, I transform ideas into visually stunning and personalized creations that communicate effectively and leave a lasting impression.
